Practice and Performance Expectations

Welcome to the Woodside One Wheelers! This is a group of people who are dedicated and willing to work hard in practice and “WOW” the crowds in performances. Being a member of the Woodside One Wheelers is NOT a once a week commitment. Members of the group are expected to attend practice on a regular basis and continuously work on skills at home. Our caring and compassionate coaches will assist you in reaching your goals throughout the season. All members of the group will have an opportunity to perform in some performances however, some performances may not include all skills practiced. Our caring compassionate coaches will work with you as you strive to reach your goals. Reaching those goals takes time- be patient and keep an optimistic focus! We will be having additional performances throughout the year that members will need to be “performance ready” in order to perform. If you have any questions please contact Mr. Pulsifer.

*Schedules of practices/performances/parades are regularly updated and available 24/7 on our official website: WoodsideOneWheelers.org (WOW Member Calendar).

*Last minute changes/updates- usually due to weather, are typically notified via Email.
