## ***Practice and Performance Expectations***

Welcome to the Woodside One Wheelers! This is a group of people who are dedicated and willing to work hard during practice and “WOW” the crowds at performances. Members of the group are expected to attend practice on a regular basis and continuously work on skills at home. Our coaches will assist you in reaching your goals throughout the season. All members of the group will have an opportunity to perform in some performances, however some performances may not include all skills practiced. We will be having performances throughout the year that members will need to be “performance ready” for. Reaching goals takes time so be patient, focused and stay positive! If you have any questions please contact Mr. Pulsifer.
